Subject: Confidential: Off-Site Interim Work Plan

Carolyn,

Good afternoon! I wanted to let you know that I was getting ready to send you the Off-Site Interim Measure Work Plan. However, it is approximately 93 MB.

Therefore, I will be sending the document via SendThisFile.

Following a preliminary review – if you could let us know if we can go ahead and start the bidding process to select a contractor to implement the excavation and sewer replacement portion of this project, it would be greatly appreciated so we can try to meet the expected construction timeline to finish asphalt this fall.

Please let us know if you have any questions or comments.

Have a great evening!

Chris
